**Meeting #1**

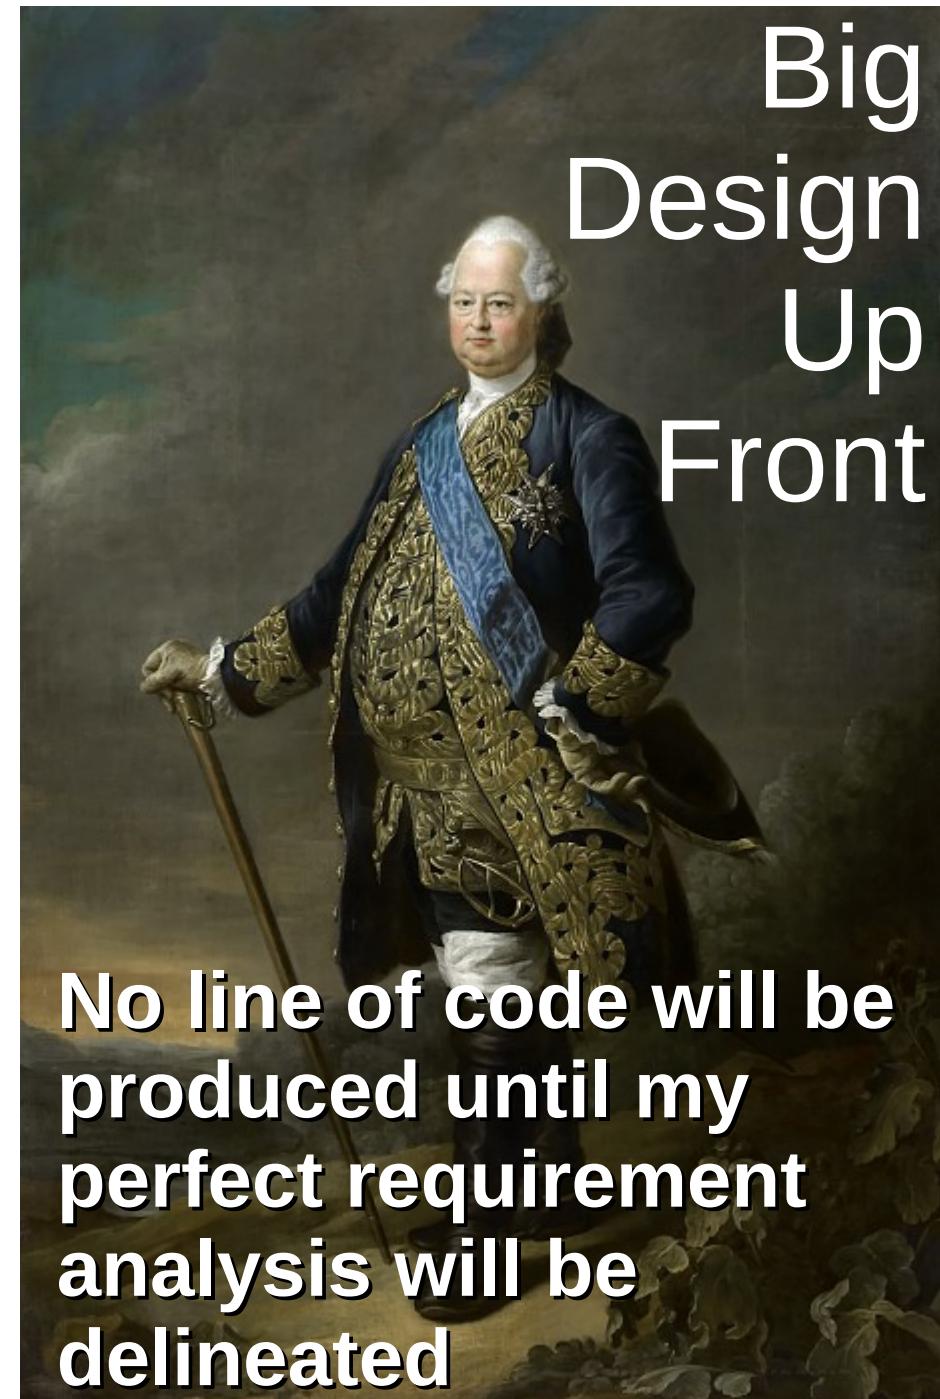

**Talk: In the beginning there was chaos  
Event Storming**

**Virgilio Lino**

Big  
Design  
Up  
Front

# Big Design Up Front

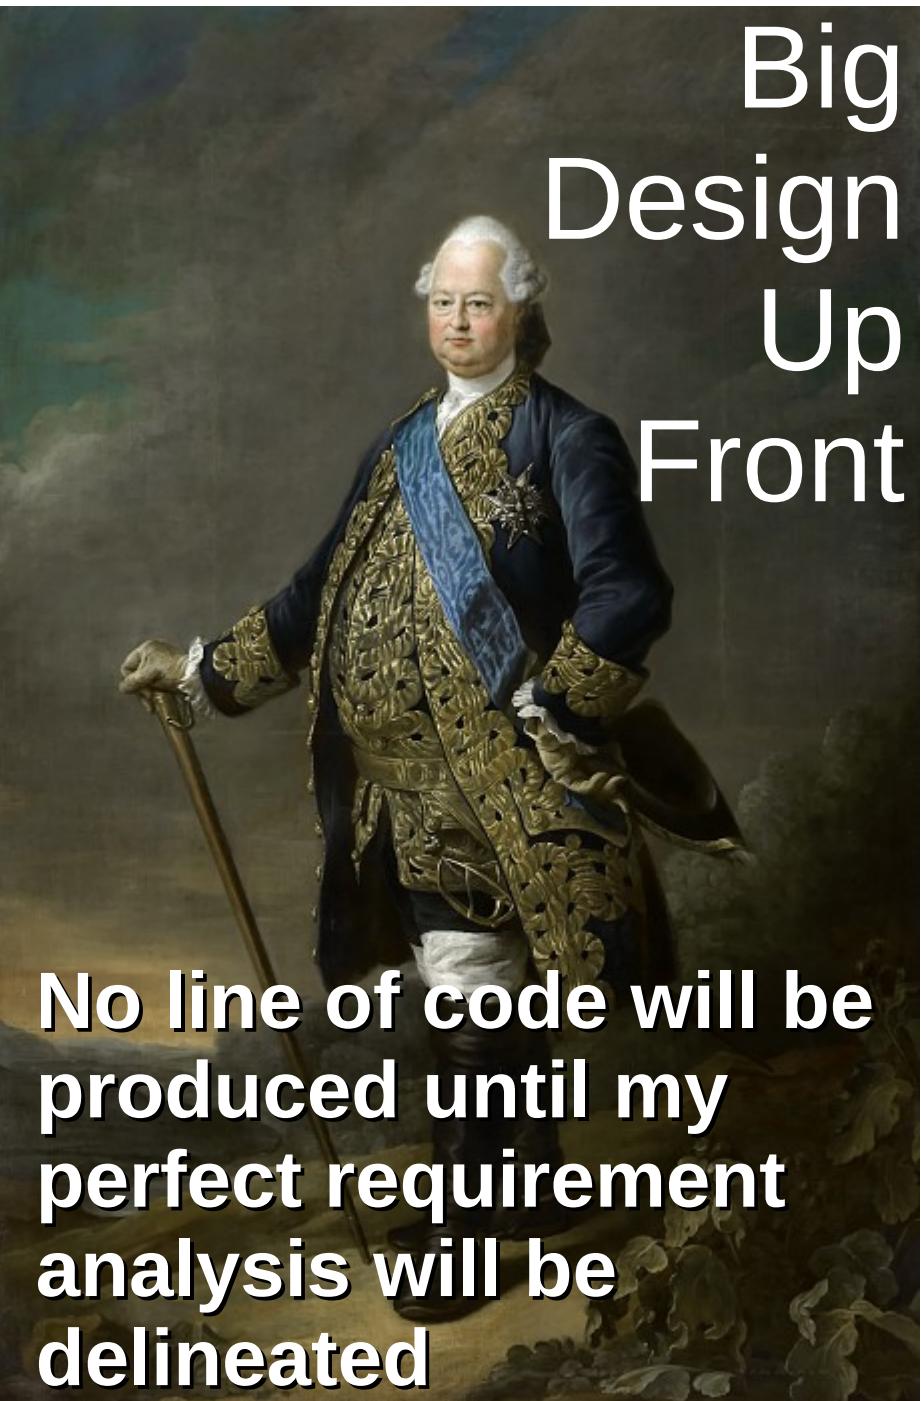

**No line of code will be produced until my perfect requirement analysis will be delineated**

# Agile

# Big Design Up Front

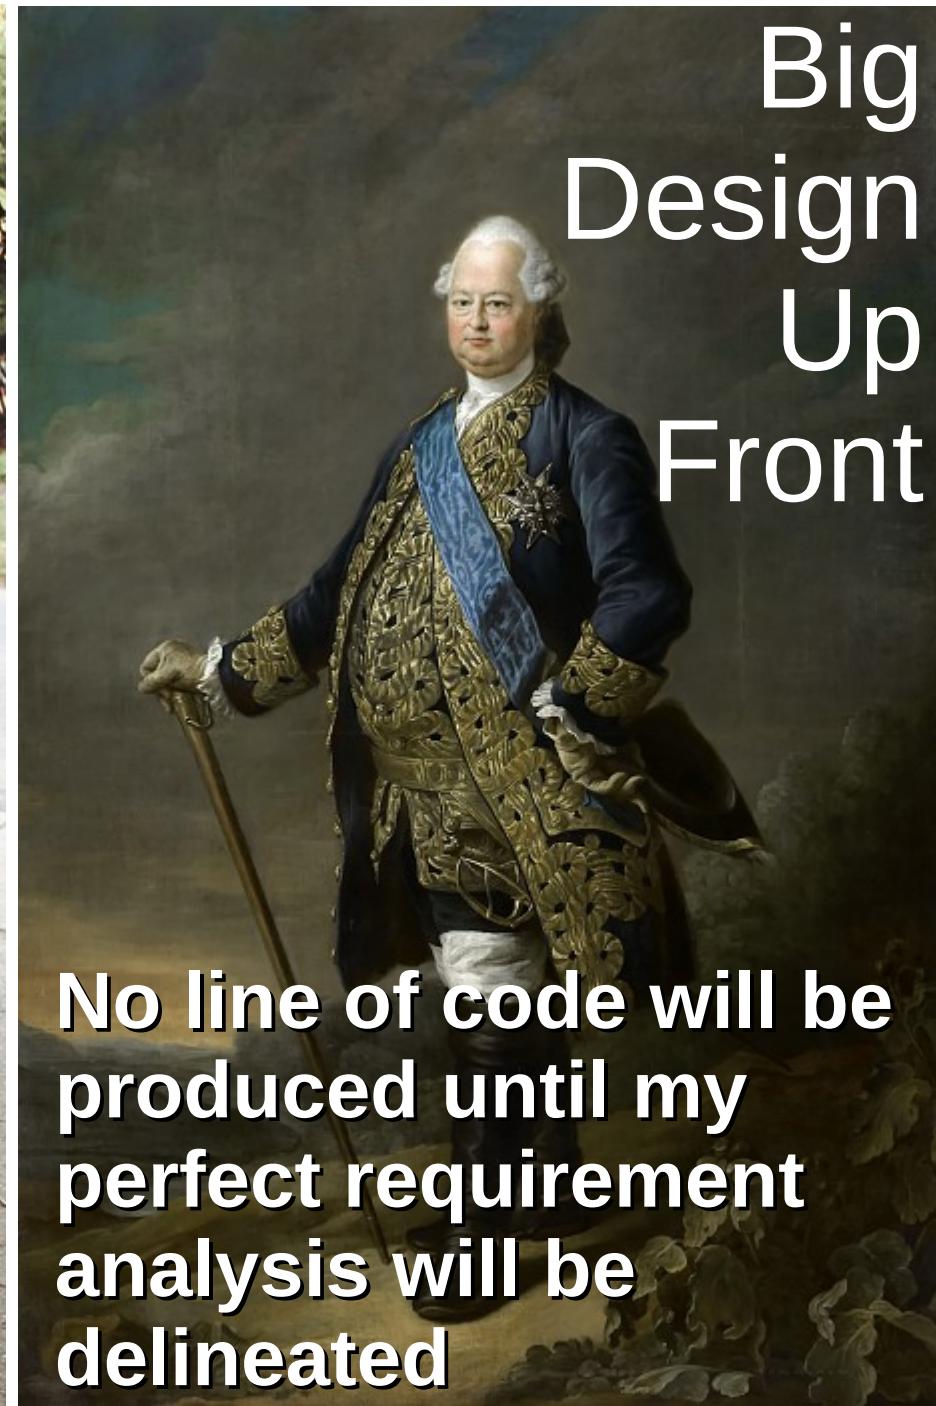

No line of code will be produced until my perfect requirement analysis will be delineated

# Agile

In our Startup, we started a pair programming session since the first day

# Big Design Up Front

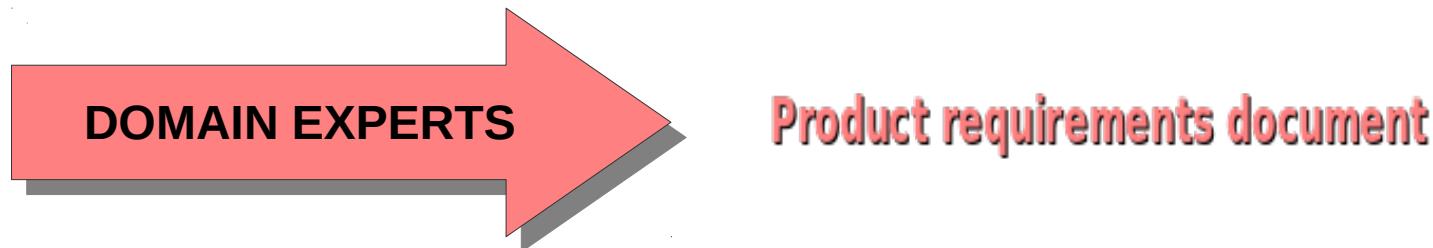

No line of code will be produced until my perfect requirement analysis will be delineated

# Agile movement

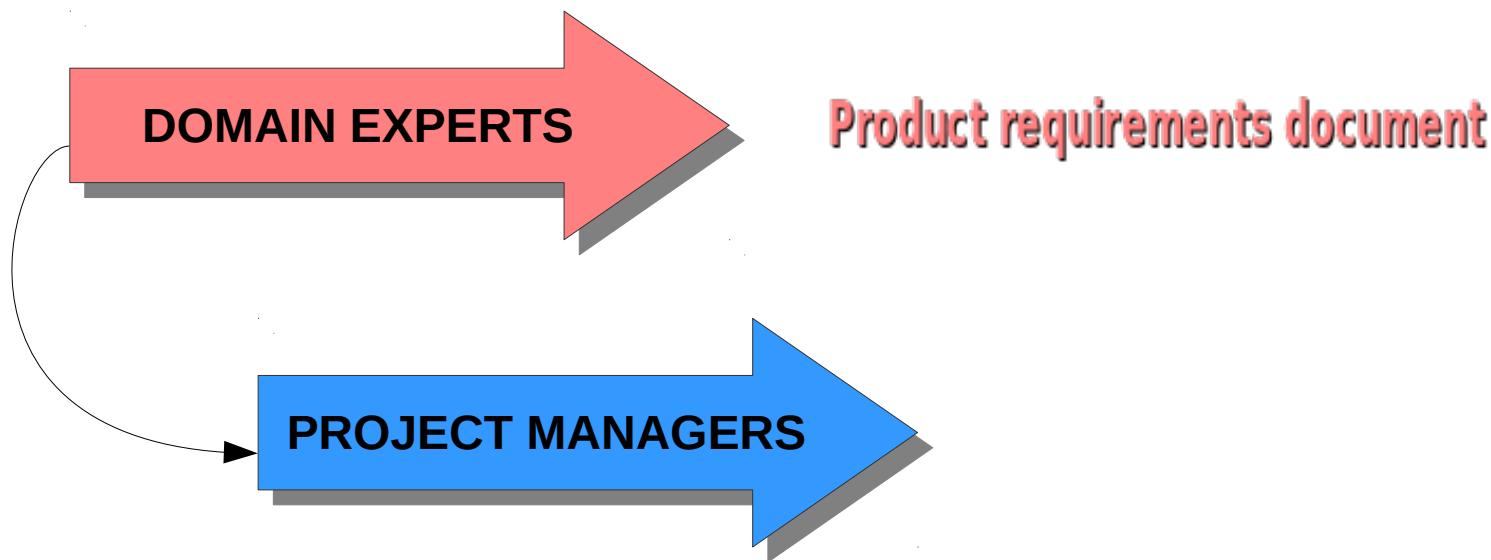

Look a Software Architect!

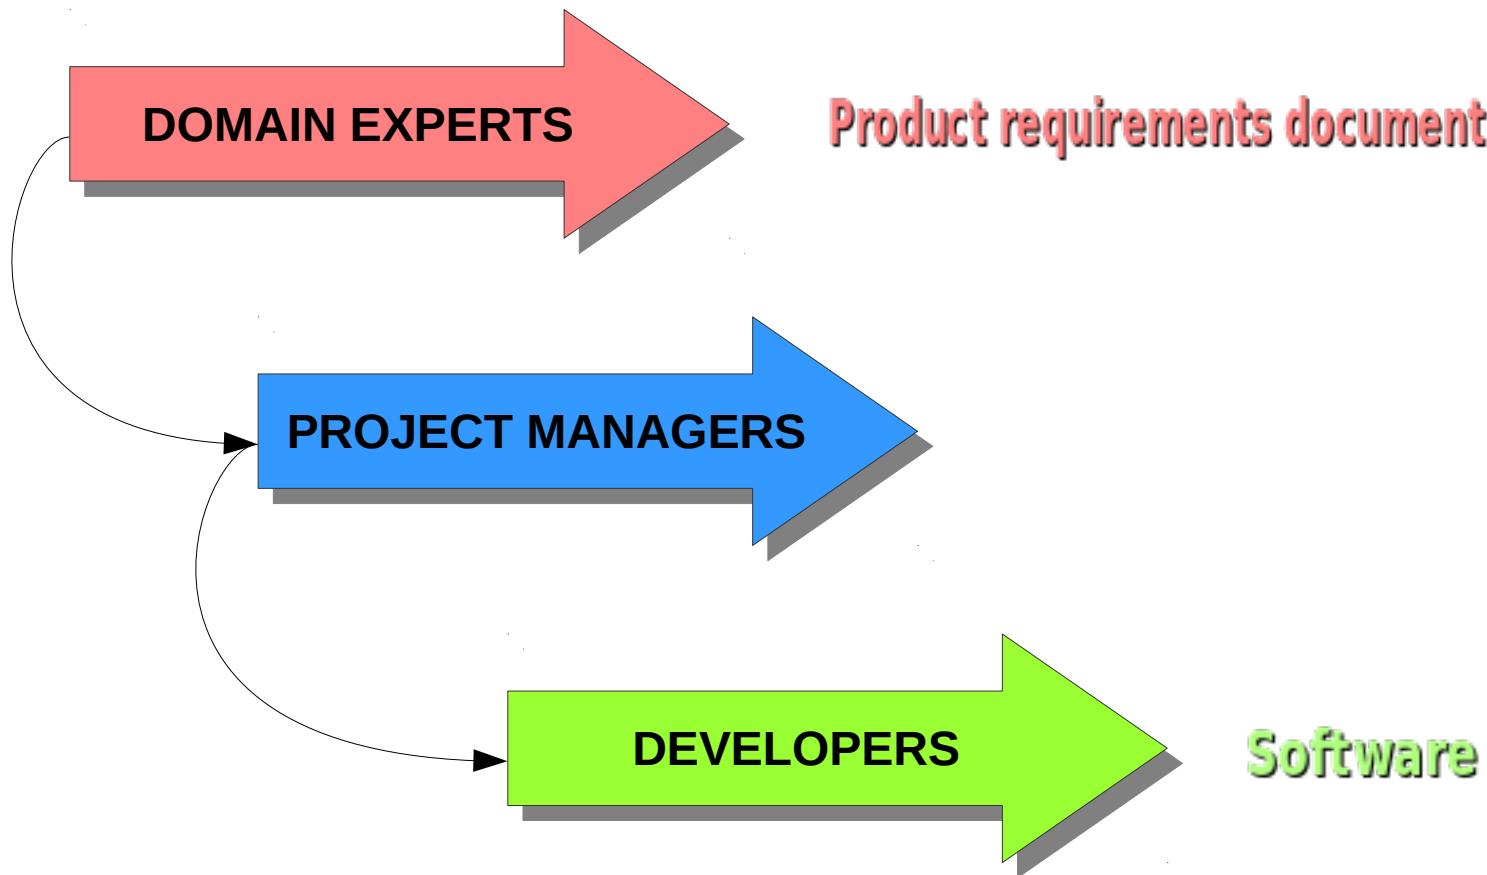

# Modern Development Process

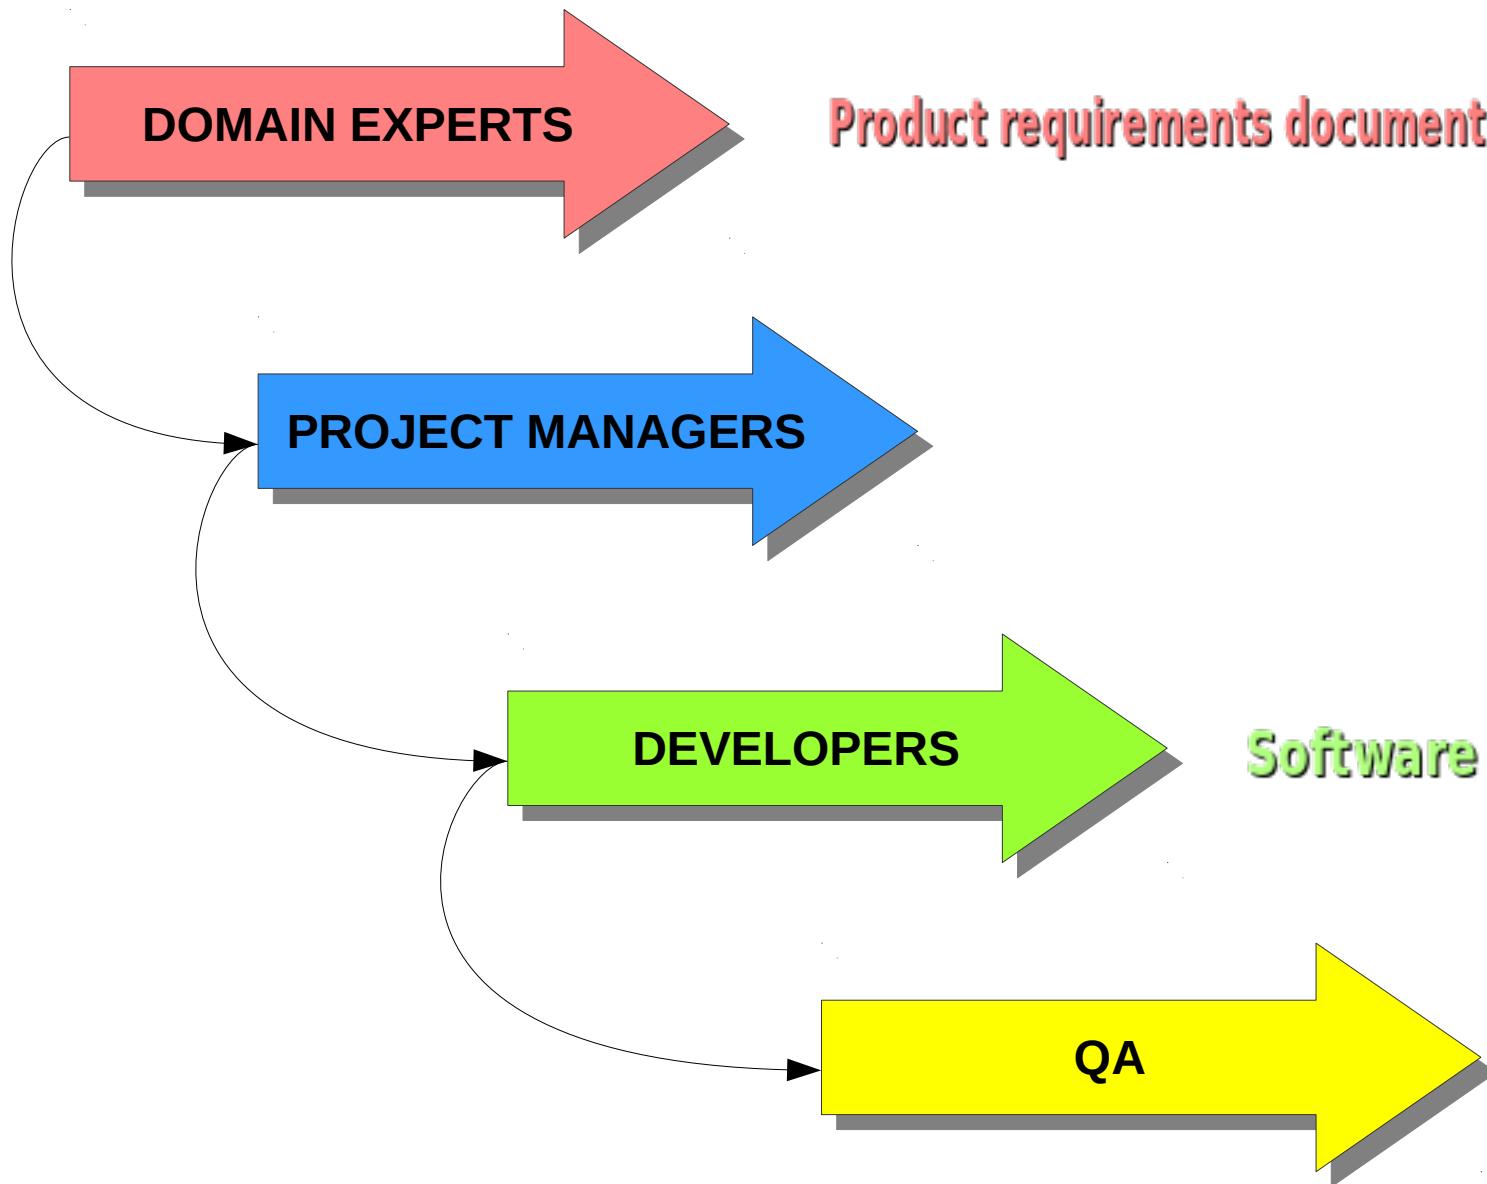

# Modern Development Process

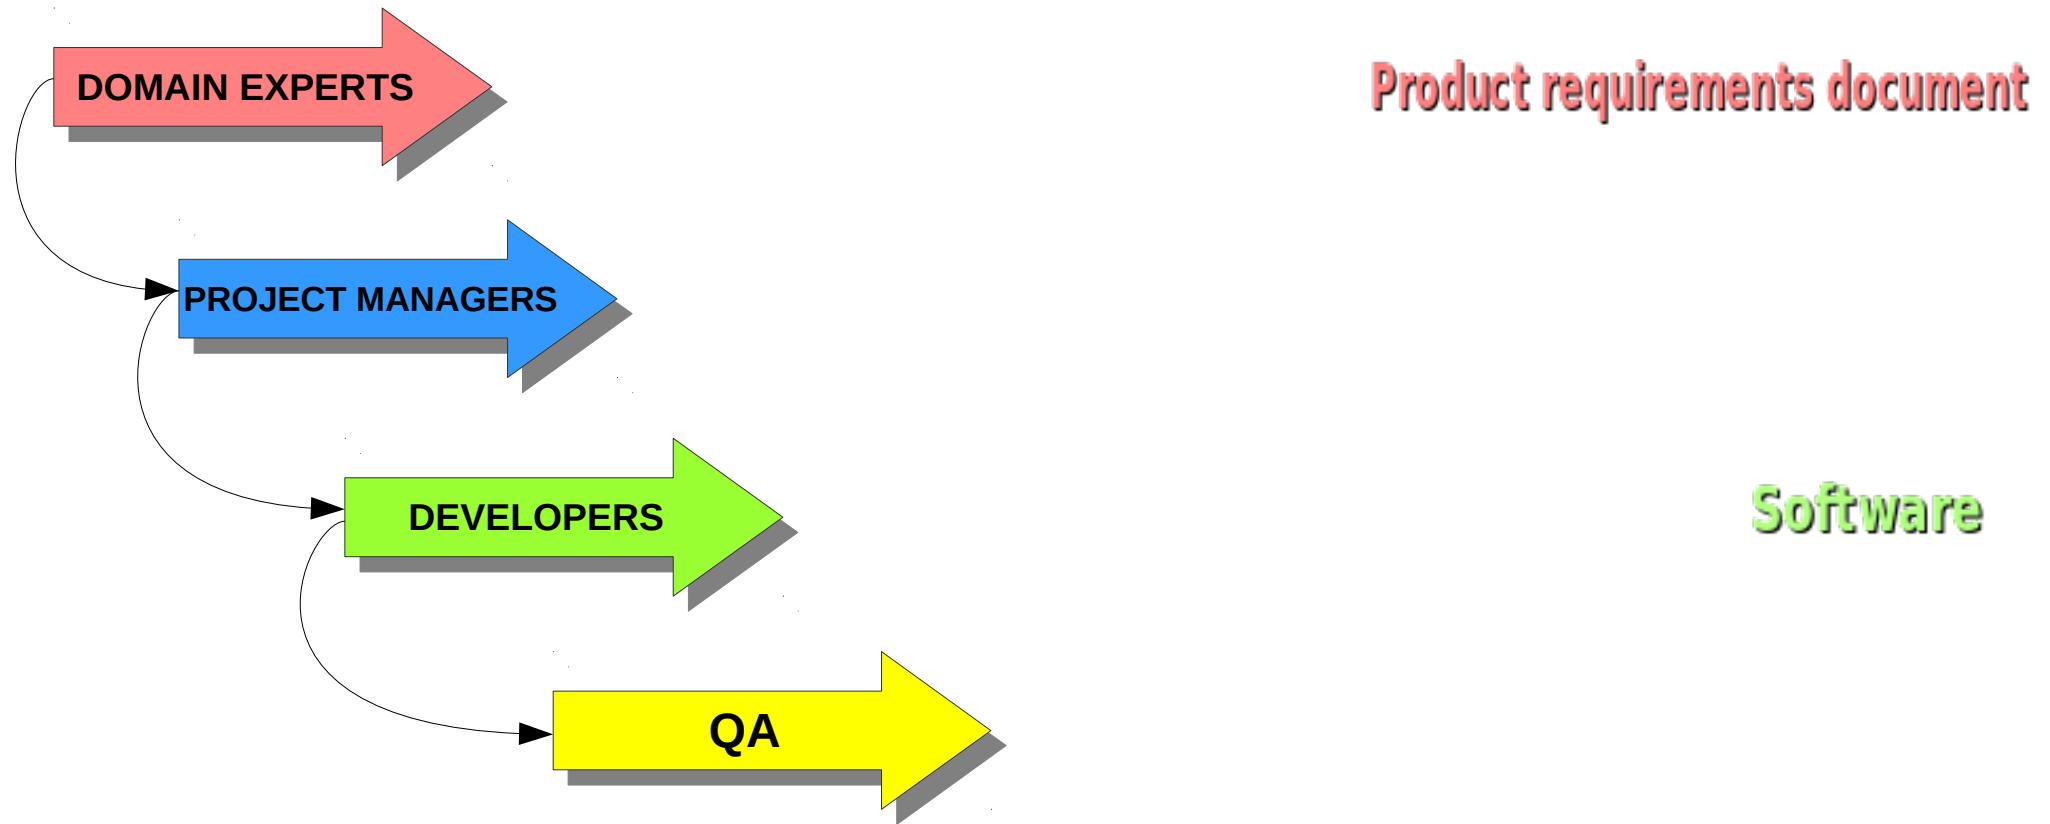

# Modern Development Process

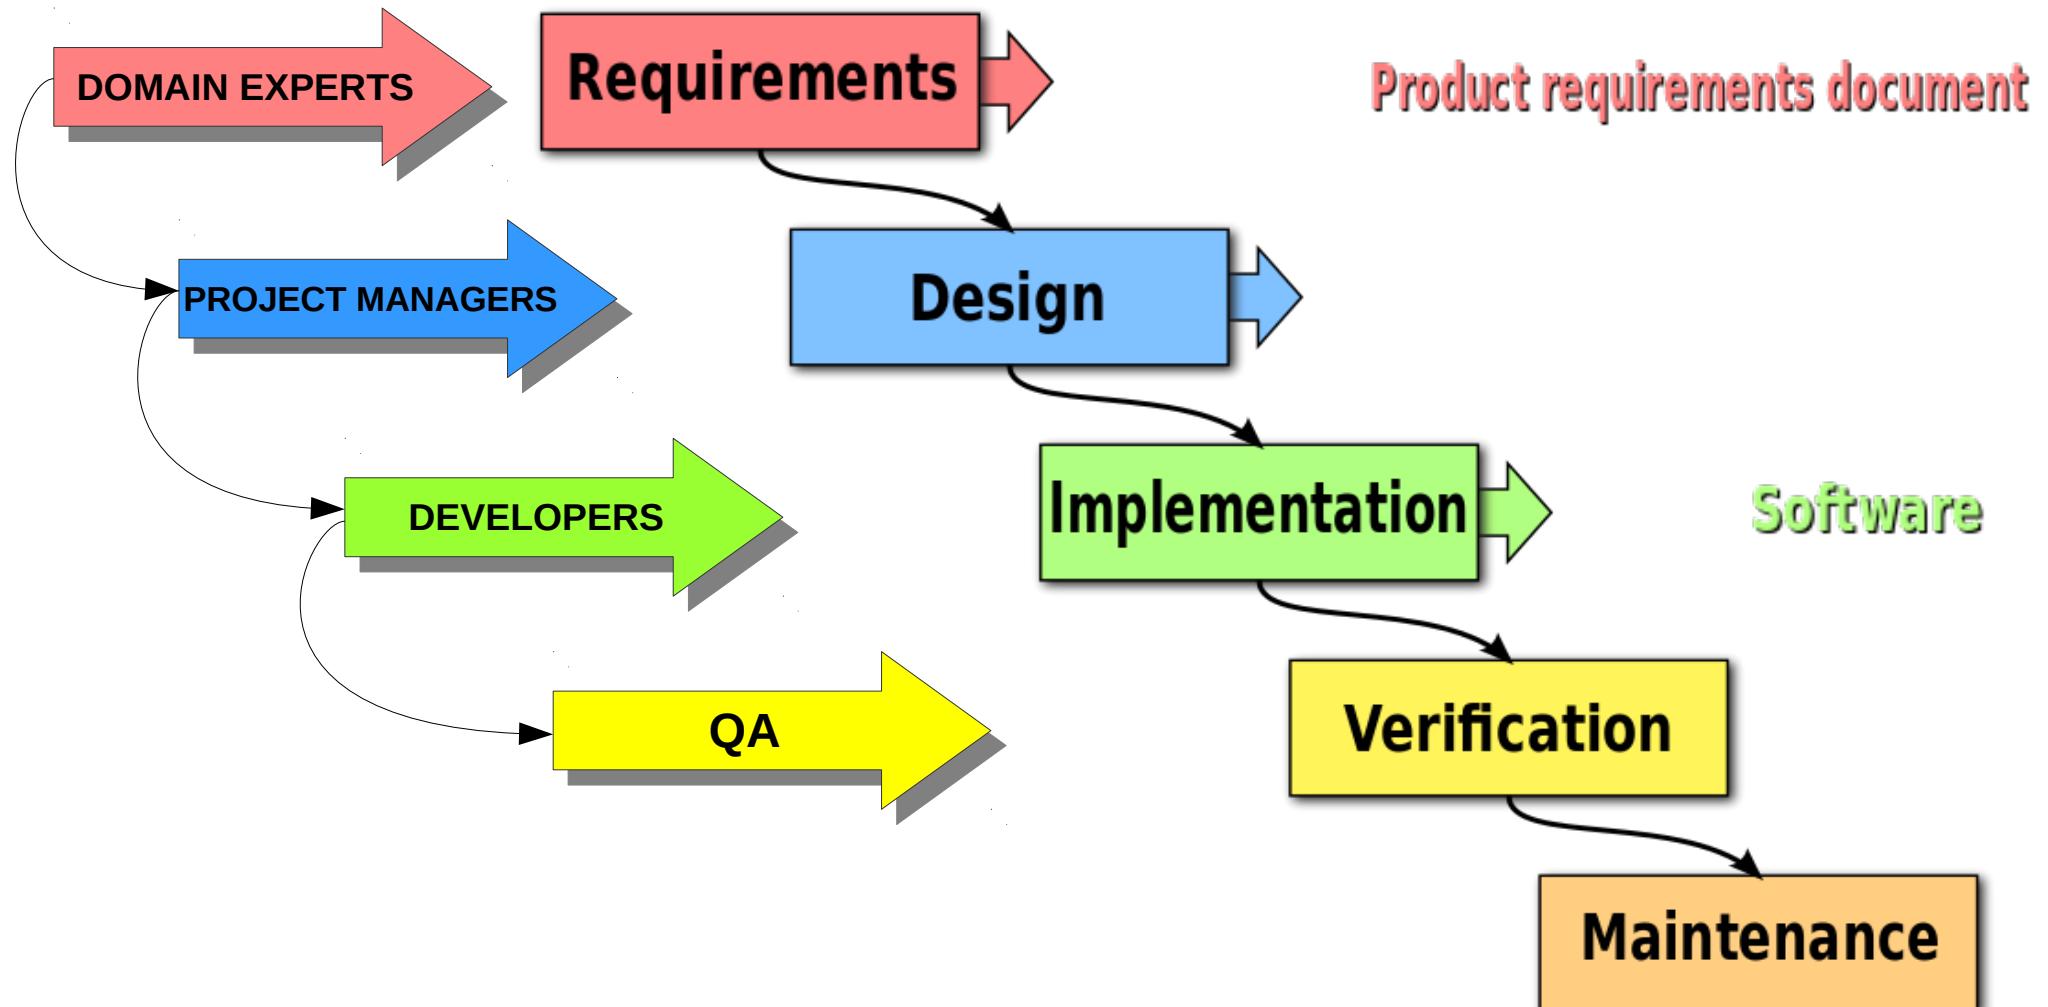

# Modern Development Process

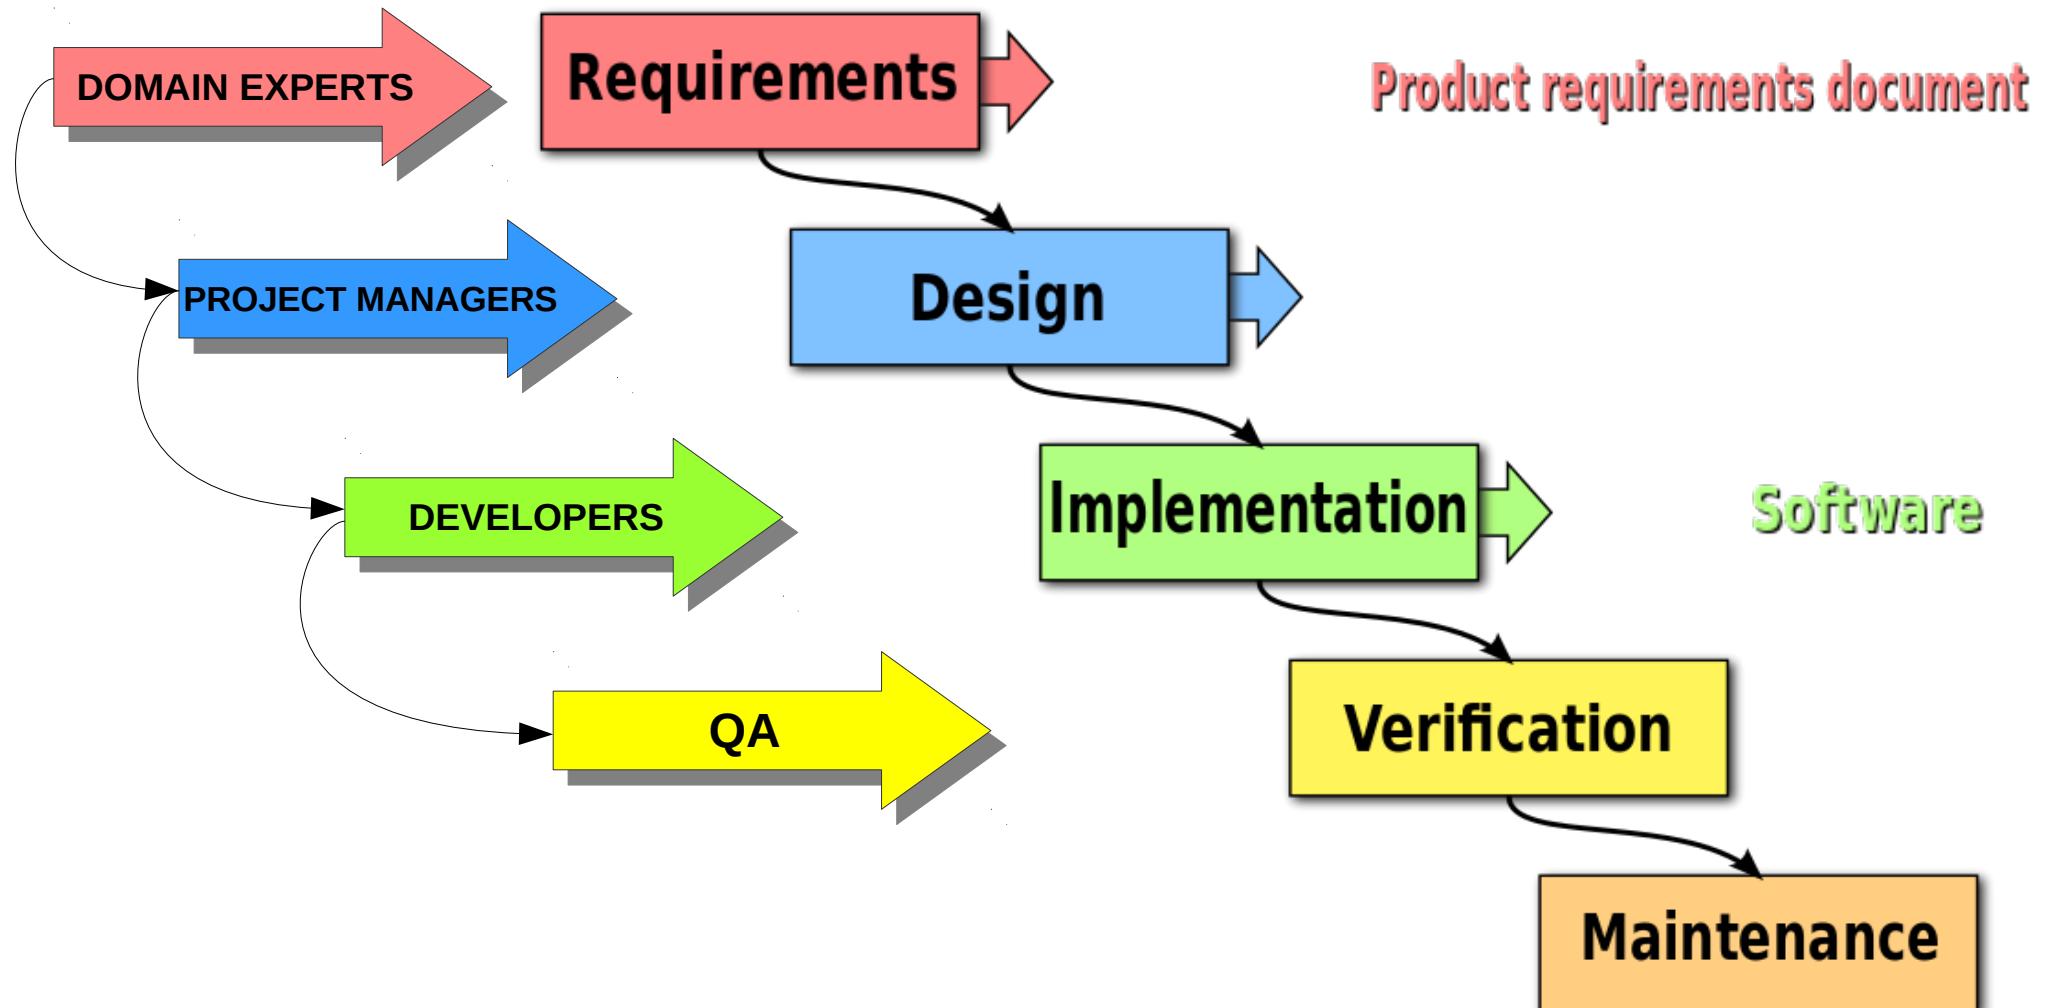

# Modern Development Process

# Modern Development Process

Current agile is an Iterative Waterfall

# Cross-functional means building together

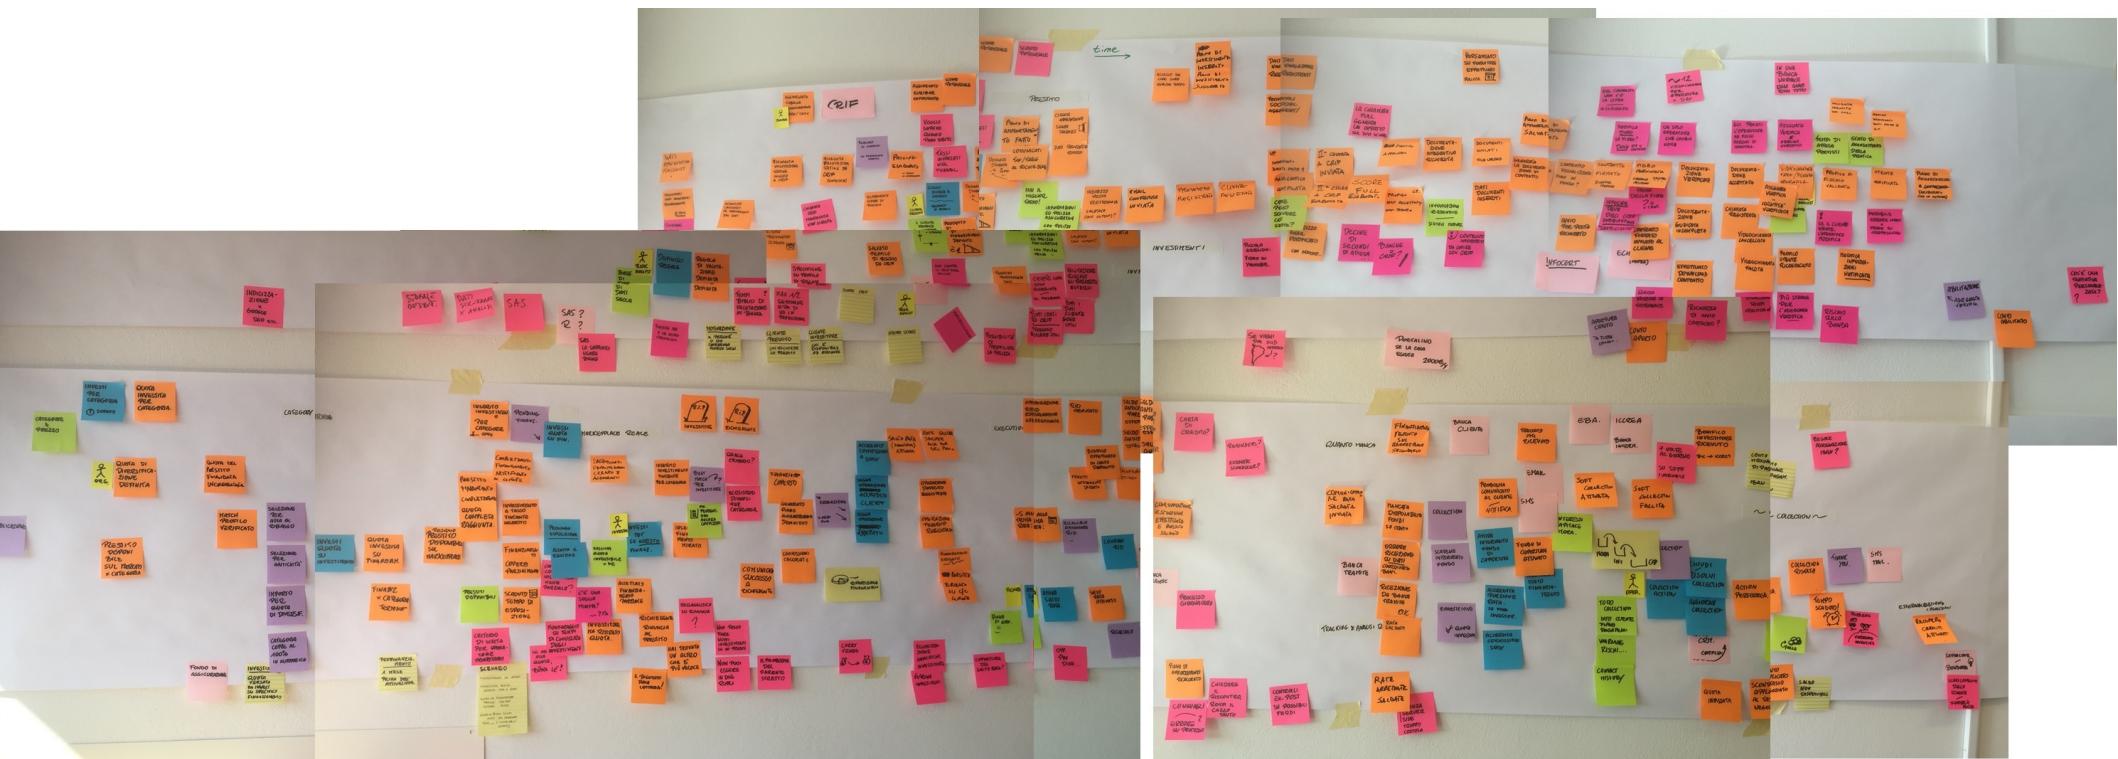

# Cross-functional means building together

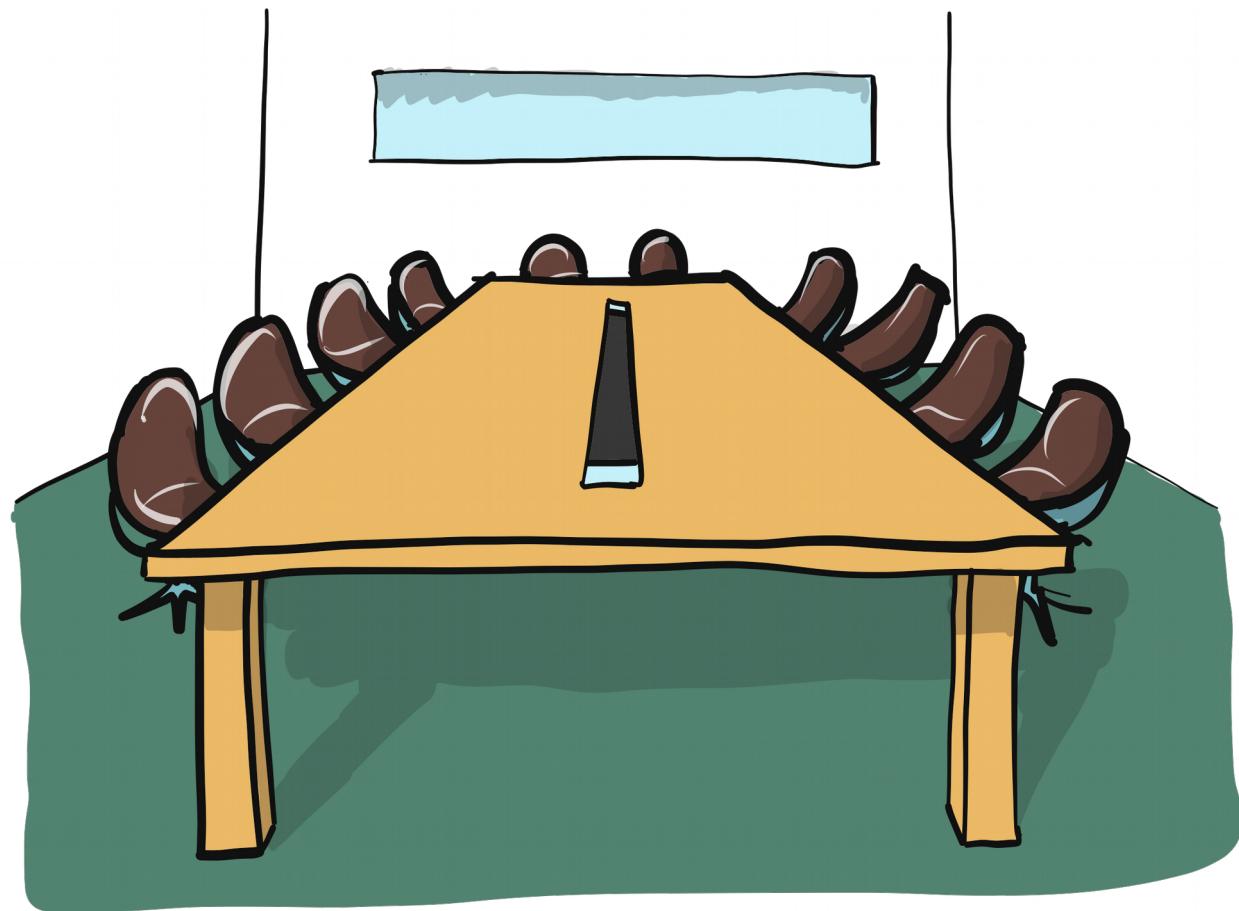

We need a tool

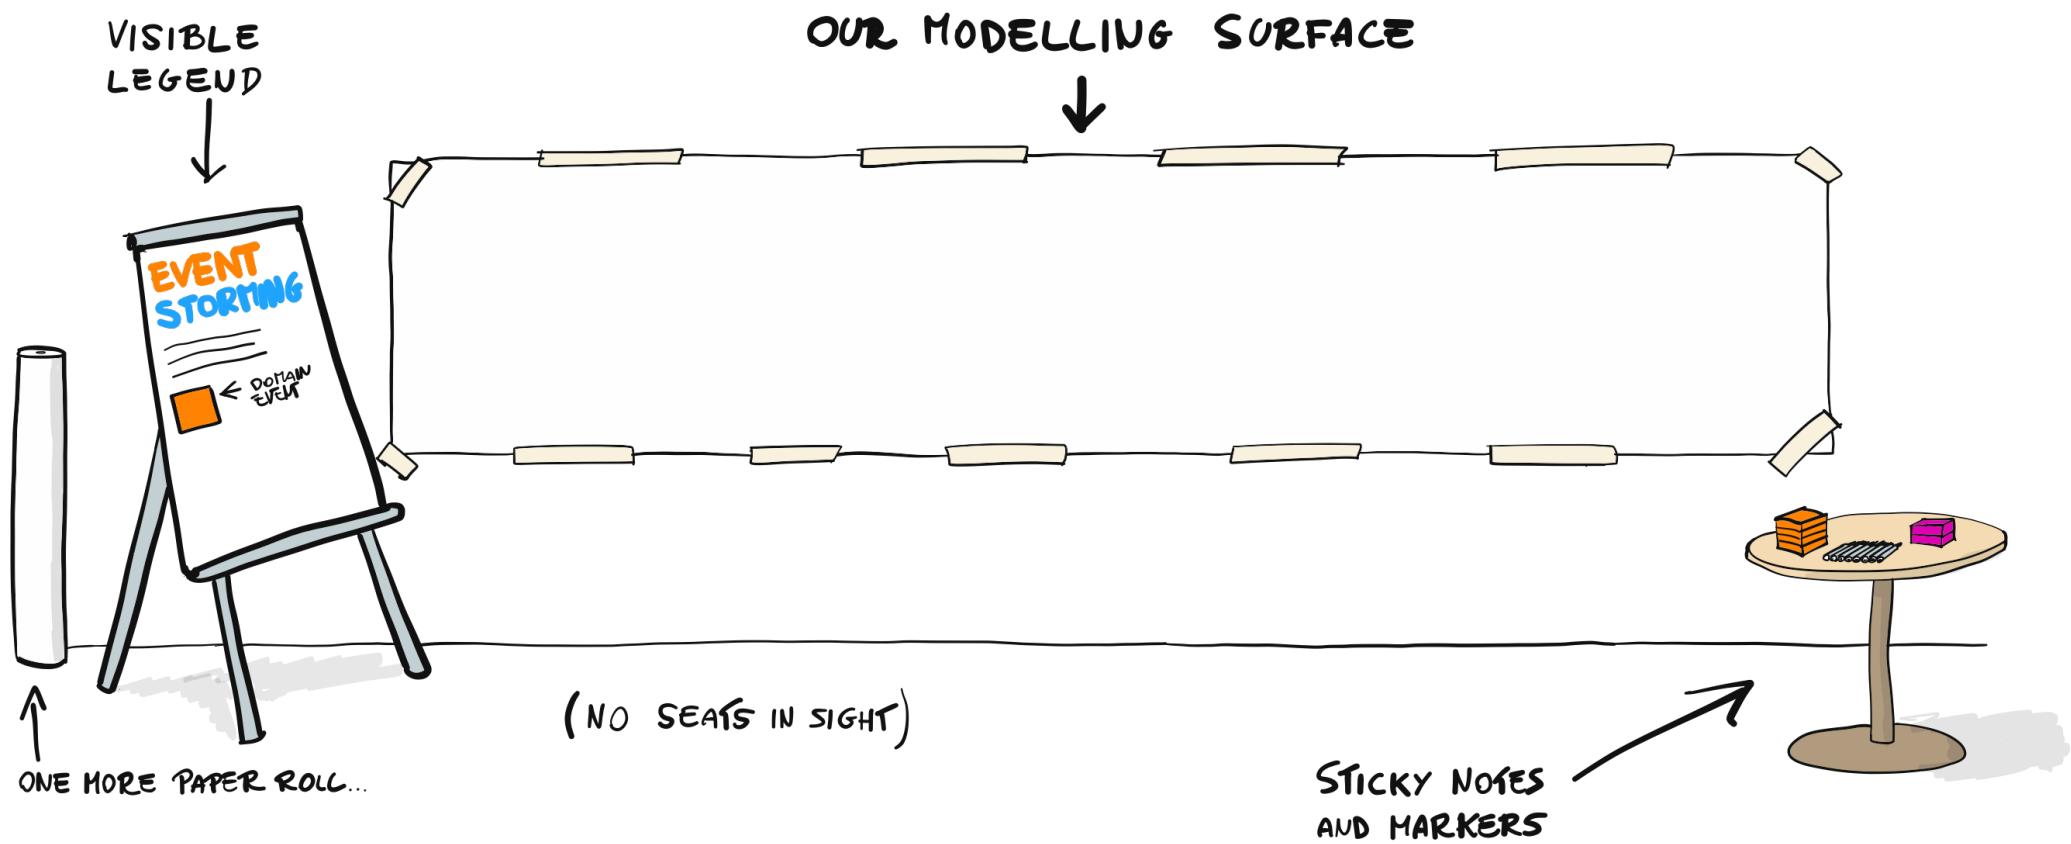

# Event Storming

# Our main problem

# Big table at the center of the room

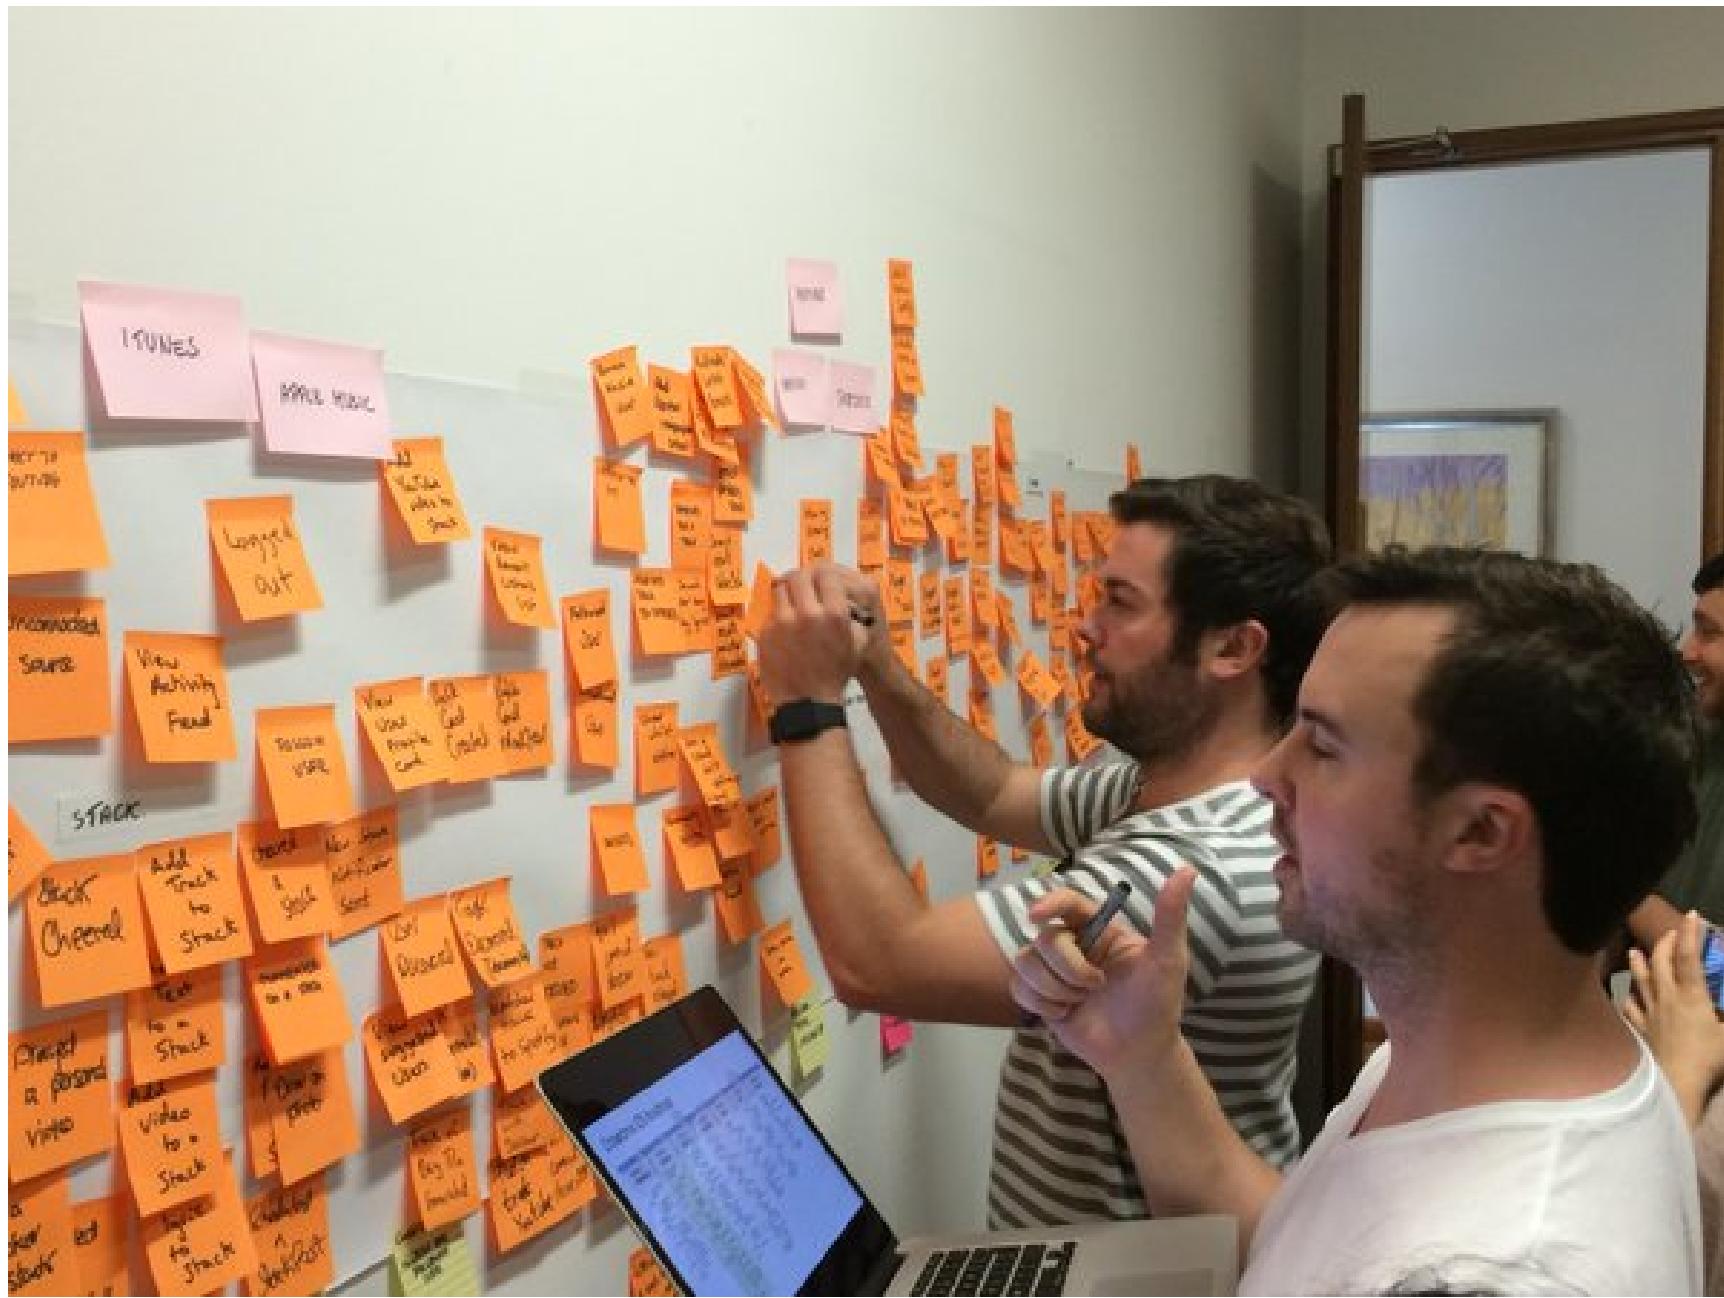

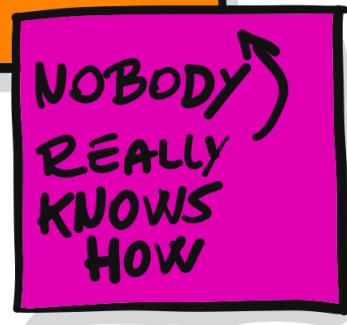

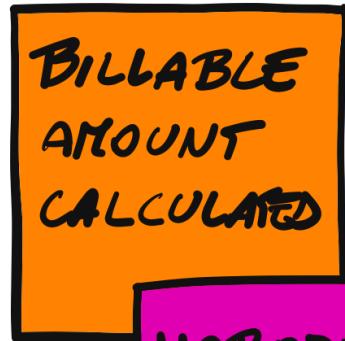

ITEM  
ADDED TO  
CART

THIS IS A DOMAIN EVENT

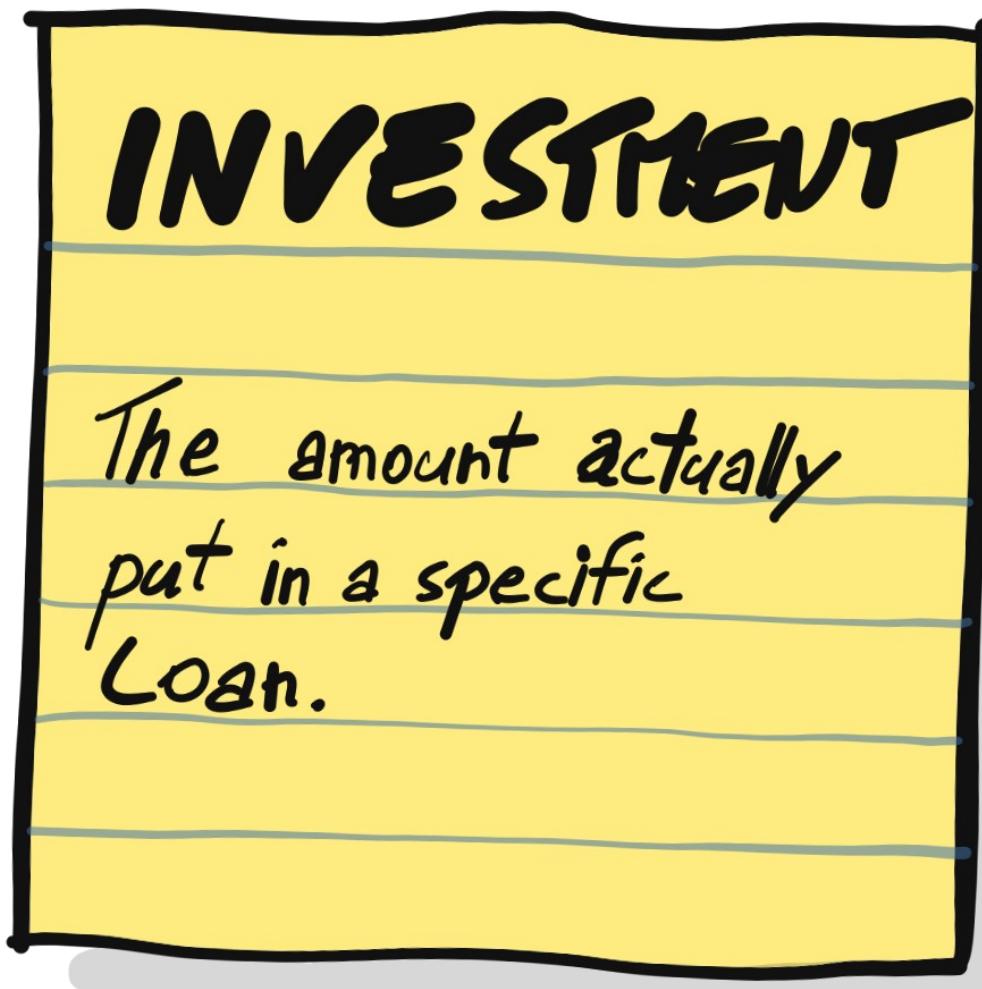

- ORANGE STICKY NOTE
- VERB AT PAST TENSE
- RELEVANT FOR DOMAIN EXPERTS

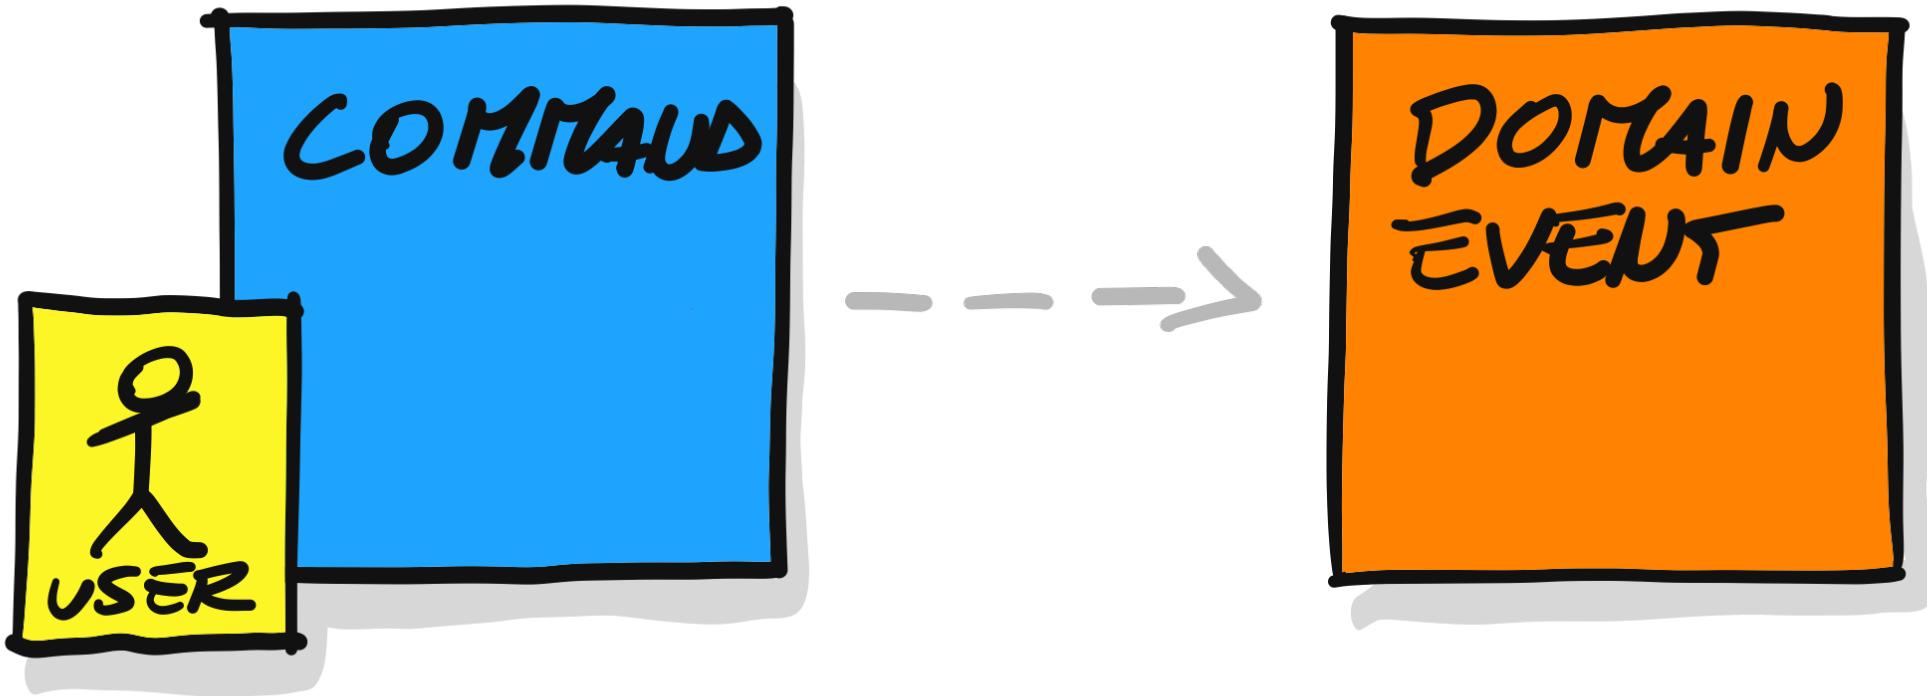

# Capture warnings, discussion and question marks along the way

When precision emerges from the words of a domain expert, better write it somewhere...

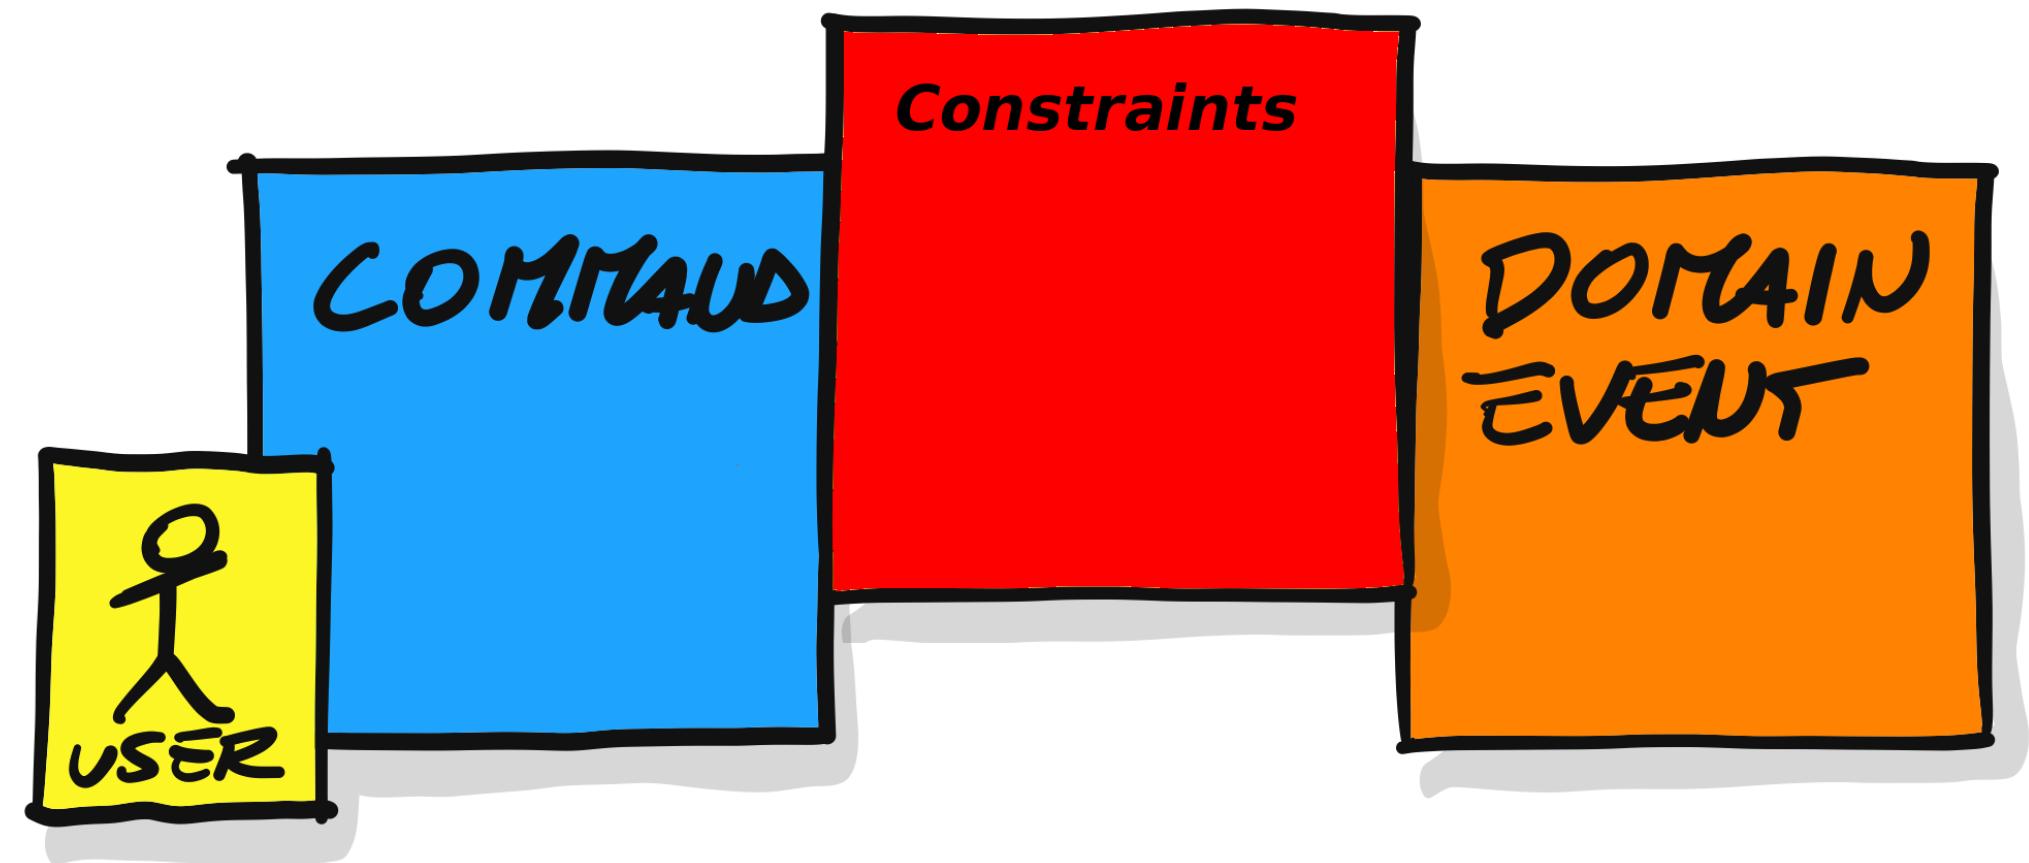

Commands representing user intentions/actions/decisions

**USER INITIATED ACTION**

# Constraints

# That's it

# Thanks
